

## EXHIBIT AT THE LATIN AMERICA AND CARIBBEAN FISHERIES CONGRESS!

### EXHIBITOR INFORMATION

The Latin America and Caribbean Fisheries Congress (LACFC) is excited to welcome you to our first LACFC meeting in Cancun, Mexico at the Cancun International Convention Center! We hope you'll come and exhibit at the LACFC tradeshow to over 200 fisheries professionals. We'll be celebrating our first year of fisheries ecology, conservation, and management with fisheries students and professionals from Latin America, which includes Mexico, Central and South America, and the Caribbean. Our Cancun meeting will have special exhibits and activities that highlight the achievements from all those who have contributed to fisheries professions in this region. We hope to see you exhibiting your new technologies alongside the rich history of the fisheries tradition!

Meeting Exhibitors are typically represented by federal and state fisheries agencies, sellers of photos, arts, and crafts, and companies providing boats, aquaculture supplies, fish tagging and tracking equipment, computer and software applications, consulting services, digital fish-measuring equipment, water quality monitoring and filtration systems, aeration systems, hydroacoustic systems, and others related to fisheries research and management. This unique industry event will be a celebration of the fisheries tradition and cutting-edge technology solutions for fisheries professionals, and not to be missed.
